**Meeting Places - Business Meeting/Program 1st Wednesday of the Month - Note Change**
Starting with the **first Wednesday** meeting in August, the Club will be meeting at **Sense Corp** which is located at **2731 Sutton Blvd.** (The building sits back off of Sutton Blvd. and is between Saratoga Bowling Alley and the new Wood Restaurant.) Sense Corp will be able to give us a very nice private room on the 2nd floor, **room #200.** The plan is to have a business meeting and program at this first meeting of the month. Lunch will be served, but it will have to be catered. Therefore, each member will have to **call Barry Greenberg (314.651.6516) by noon the Monday before** that first meeting. The cost is **still $10** and each member will need to honor that reservation by paying for lunch whether or not you find you are able to attend.

The Club is excited about this opportunity to conduct business and have a program each month. Everyone enjoys the food at **The Red Lion**, therefore, the Club will continue to meet there for the **other meetings of each month.**

**Officers for 2010-2011**
The following members will be the officers for next year: President, Barry Greenberg; Vice President Elect, Tom Wickersham; Secretary/Treasurer, Jeff Johnson; Editor, Bonnie Paulsmeyer. The following members will be Committee Chairpersons; Membership, Barry Greenberg; Programs, Sam Heyman; and Fundraising, Jeff Johnson and Bonnie Paulsmeyer. Thanks to all for being willing to serve.

**Golf Tournament**
The final totals are not in, however, it looks like the Club made about $3,300! Thanks to Jeff Johnson and everyone else for making this fundraiser a great success.
