Thoughts for the Day:

- An enemy takes up more space in your mind that a friend does in your heart!
- You feel happiness through what you experience, not because of what you are!
- The sun dries without prejudice the garments of the rich and the poor!
- The cheapest facelift is a good laugh!

President Don Schappe called the meeting to order at 12:15 PM. Greg Wilson led the Pledge of Allegiance, John Silberberg led the singing of "My Country Tis of Thee" and Clarence Penny gave the invocation. We had 15 members and guests in attendance today. Marcy Martin was the secret greeter but she was not able to get a buck from anyone. John Silberberg had a "Happy Dollar" as he and his wife, Kathie, baby sit with the children at the Crisis Center on Saturday. He said it was a good experience and recommended it for all members.

Our Guests for Today

No guest today!

Our Program for Today

Nancy Baker (Past Member) a Realtor for Prudential Alliance in Wentzville presented the program for today. Nancy wanted to solve the World Peace Problem – with humor---Hummmmmmm. She had lot of good questions and one-liners that had us going---Hmmmmmmm. Lots of fun but I don't think we solved the World Peace Problem. Good to see Nancy again!

50/50 Drawing Silberberg won today buy did not draw the Joker. The pot is now @\$46.
