Mo-Ark Kiwanis—Community Service Award Program 2009-2010 Kiwanis Year

The purpose of this award program is to:

- Provide recognition to clubs with outstanding community service activities.
- Serve as a platform to share ideas on projects among clubs and generate more enthusiasm and excitement about community service in Kiwanis.

Definition:

- Projects that will be considered for the Community Service Award Program should feature time given by members to a community activity conducted by the club in the 2009-2010 club year.
- This award program will not include fundraising activities.

Award timeline:

- Applications for the award must be submitted to Leigh Britt, Community Service Chair, by November 1, 2010. The winning clubs will be presented at the 2011 Mid-Year Conference.
- The top three clubs will receive a plaque; three to five additional clubs may be recognized as honorary mentions.

Award criteria:

- Award applications will be evaluated on a variety of criteria including:
 - Size and scope of project
 - Community need met through the project

- Preference given to projects that assist youth
- Number of hours given toward the project
- Percentage of Kiwanians in the club who participated
- Cooperation with other community members and sponsored leadership groups
- Public relations value. Did you use this effort to tell the Kiwanis story?
- Each club may share up to three different projects in their nomination.
- Clubs are asked to provide, electronically, five photos of their project that can be used in the awards presentation and possibly in the *Kiwaniagram* or on the Mo-Ark website. We hope to use this program to help share ideas among clubs on successful service projects.
- While any project can be included in the nomination, we ask clubs to NOT duplicate the projects they are submitting for Young Children Priority One when possible. Clubs are encouraged to include Kiwanis One Day projects in their nomination.
- Winning clubs will not be honored in consecutive years.
